## The Letters of Wolfgang Capito and His Fellow Reformers in Alsace and Switzerland

EDITED BY ERIKA RUMMEL AND MILTON KOOISTRA

"Except perhaps for Wittenberg, no place in the German Empire played a greater role in the early Reformation than the free imperial city of Strasbourg. This volume presents the results of a workshop on the correspondence of a major figure in the Strasbourg Reformation, Wolfgang Capito. The collection includes interpretive essays, text editions of two Capito works and documents of a lawsuit that affected his establishment in the city, as well as studies of the problems of producing modern editions of Capito himself and his contemporaries Erasmus, Bucer, Bullinger, and Beza. Readers will find fresh insights into the intellectual, religious, and political world of southwestern Germany in the early sixteenth century."

--Charles G. Nauert, University of Missouri, Columbia
